

A **decade** is **ten years** and a lot can happen in ten years. Use the timeline below to draw important events in the last decade of your life or from 2010 to 2020

Write in the year on the top row and the important event in the bottom row. You can use the same year twice if you like. You only need to write one or two words

2010									

Below could be some important events in your life so far but you can use your own to complete the timeline

Holy Communion	My first girlfriend/boyfriend!
Confirmation	Met my BFF
Moved to secondary school	First holiday abroad
